Dear Christopher,

What a great opportunity we have to return to the beautiful Savannah Center for the April MSLB Lunch! sponsored by our friends at Bayer Healthcare Pharmaceuticals.

Let's show our appreciation for their support by filling every seat and listening closely to their presentation. To make sure all our members have the opportunity to attend, if you make a reservation, but later can't attend, please call or email me so we can give your seat to someone else.

It's going to be a great Lunch! and we'll have another opportunity to contribute to our Gift of Hope for Mrs. Taylor from Mason, whose home burned down last month.

As many of you know, Sally Edwards has donated some beautiful jewelry to raffle and we'd welcome any additional raffle items or cash for our non-profit MSLB Education Foundation.

If you have not taken the opportunity to officially join the MSLB Cincinnati we hope you will. I look forward to seeing you at the *Lunch!*
